GLENDALE OUTDOOR Leadership SCHOOL
PALMETTO COUNCIL, BSA

ORGANIZE YOUR ACTIVITIES WITH US

First Aid Training

First Aid, CPR, AED training is offered on location at GOLS, or a staff member can bring all the necessary training equipment to your location. The training is through the Emergency Care & Safety Institute (ECSI), an organization partnered with BSA and is a nationally recognized, accredited training program.

Team Building Programs

Whether it's for a Scouting group, workplace, college group, youth group, or any other type of organization, GOLS offers unique team-building programs to suit your needs. With options for half-day, full-day, or multi-day experiences, our staff can customize the program to meet your specific requirements.

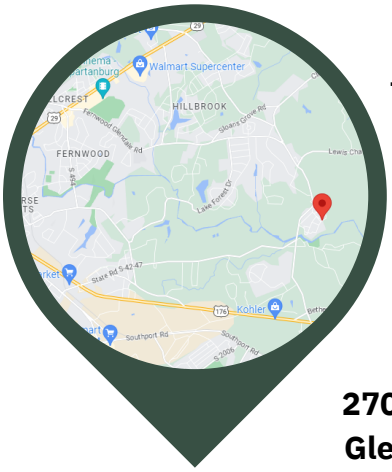

Customizable Adventures

GOLS not only offers first aid training and team-building programs but also tailor adventures to your group's needs, including hiking, canoe trips, cycling, rock climbing, and more. We can customize an adventure that suits your group's interests and abilities, ensuring a safe, enjoyable, and memorable experience.

ABOUT GOLS

In February 2020, the Palmetto Council acquired GOLS, a space dedicated to delivering the mission of Scouting to both Scout and non-Scout groups. Situated in the Glendale community of Spartanburg County, next to Lawson's Fork Creek, GOLS provides a variety of outdoor opportunities. The facility boasts a climbing wall, kayaks, canoes, and mountain bikes, all set amidst shared trails in the community.

Located minutes from downtown Spartanburg, this rare oasis provides the perfect environment for students to engage in unique experiences like no other.

Only 16 minutes from USC Upstate Campus!
